

AP Human Geography Lesson Plan
HG 3.1: Introduction to Culture

Part 1: Use the video [“How culture, food, unity will be showcased at Cleveland Asian Festival”](#) to complete the following:

1. Identify two elements of Asian culture that would be found at the festival.

2. Is the festival intended to promote ethnocentrism or cultural relativism? Explain your answer.

Part 2: Use this [map of firearm ownership in the United States](#) to complete the following:

3. Identify two trends you see in this map.

4. Identify one cultural explanation for states with high rates of firearm ownership.

5. Identify one cultural explanation for states with low rates of firearm ownership.

Part 3: Use this [regional map of the United States](#) to complete the following:

6. Choose two regions and identify one way in which food reflects the different cultures found there.

7. Choose two regions and identify one way in which architecture reflects the different cultures found there.

8. Identify two other ways in which culture changes from region to region.

9. Identify one way in which you agree with the boundaries shown on this map, and one in which you disagree.
